**NOTE:** Radios sent to Connect Systems without an RMA number will be upgraded as schedules permit, however this may take significantly longer. In order to get your radio back as quickly as possible please call ahead and request an RMA number. You will be given the next available schedule slot and informed when to ship your radio to us. We will upgrade radios as quickly as possible and working according to a schedule will allow us to return your radio within a few days instead of a few weeks.

As always, we are available for questions. Please call us at 818-889-0503.
